Subject: Update re: Waterkeeper II FOIA litigation

Hello everyone,

I am writing to provide an update on the Waterkeeper II FOIA litigation regarding EPA's reconsideration of the Steam Electric ELGs Rule. As you may recall, back in December, the district court granted our proposed schedule and entered an ordering requiring EPA to make

three interim document productions on February 28, March 31, and April 30, and a final production on May 31.

Please let me know if you have any questions or concerns. Thanks!
